

Yes, you can.®

Pindot® ContourU®

Thank you for using Invacare eForms.

Invacare is pleased to offer you an upgraded solution to your ordering process. Our enhanced order forms allow you to fill out a form electronically, print and fax the form, save and email* it to Customer Service, or maintain the business practices that work for you today. The format has been revised to reveal a cleaner look with electronic selection and input functions.

For additional information please visit www.invacare.com/eForms

Adobe Acrobat Reader DC

* Interactive functions of our new forms work best with the latest version of Adobe Acrobat Reader DC visit <https://get.adobe.com/reader/> to download and install on your PC or Mac or visit Google Play/ iTunes to download the Adobe Acrobat Reader DC app for your device.

Save

Adobe Acrobat Reader DC allows you to save this form with your content - to complete later or use as a starting point for your next form. Please note that content must be added and saved in Acrobat - saving content from completed forms in the browser may not be possible.

Submit

Adobe Acrobat Reader DC allows you to submit this form electronically via your email client.

Simply click the submit button below and step through the simple process.

Print

If you do not have access to Adobe Acrobat Reader DC simply print this form and complete it by hand and fax it to our Customer Service Department at:

800-834-4153
